Our core values

Incorporated in the way we work

Reliable

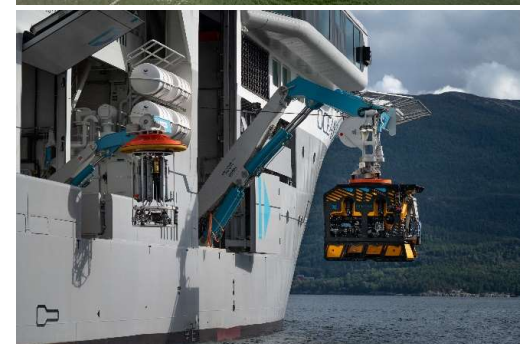

Involved

Transparent

Sustainable

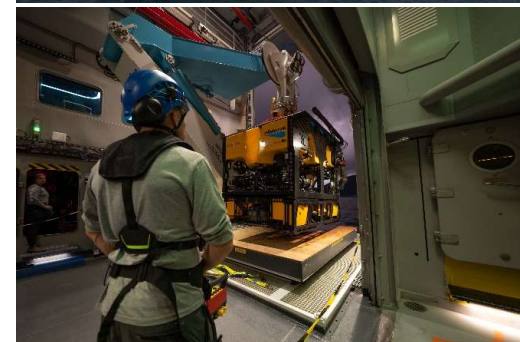

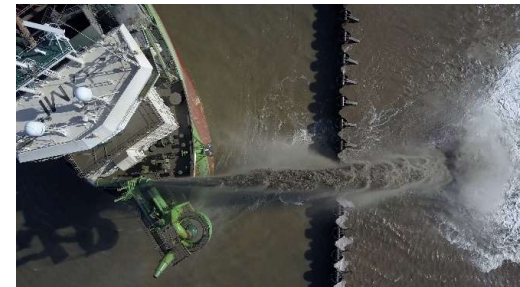

What we offer

Our solutions

- Vessel automation
- Process automation
- Navigation & Communication Systems
- Electric Installation
- Switchboards & Consoles
- Power Distribution
- Drive Systems
- Hybrid Systems
- Audio/Video & IT
- Safety & Security

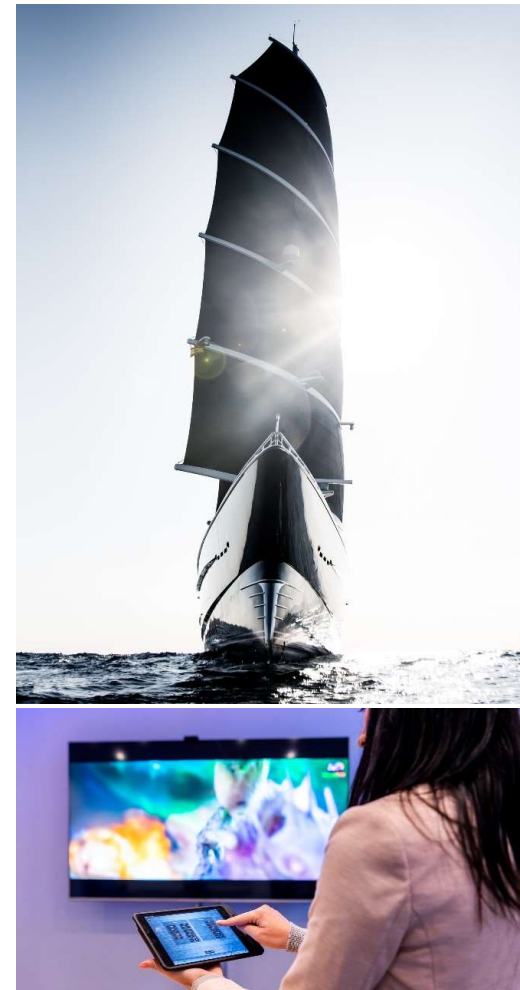

What we offer

Our expertises

Your lifecycle partner in systems integration:

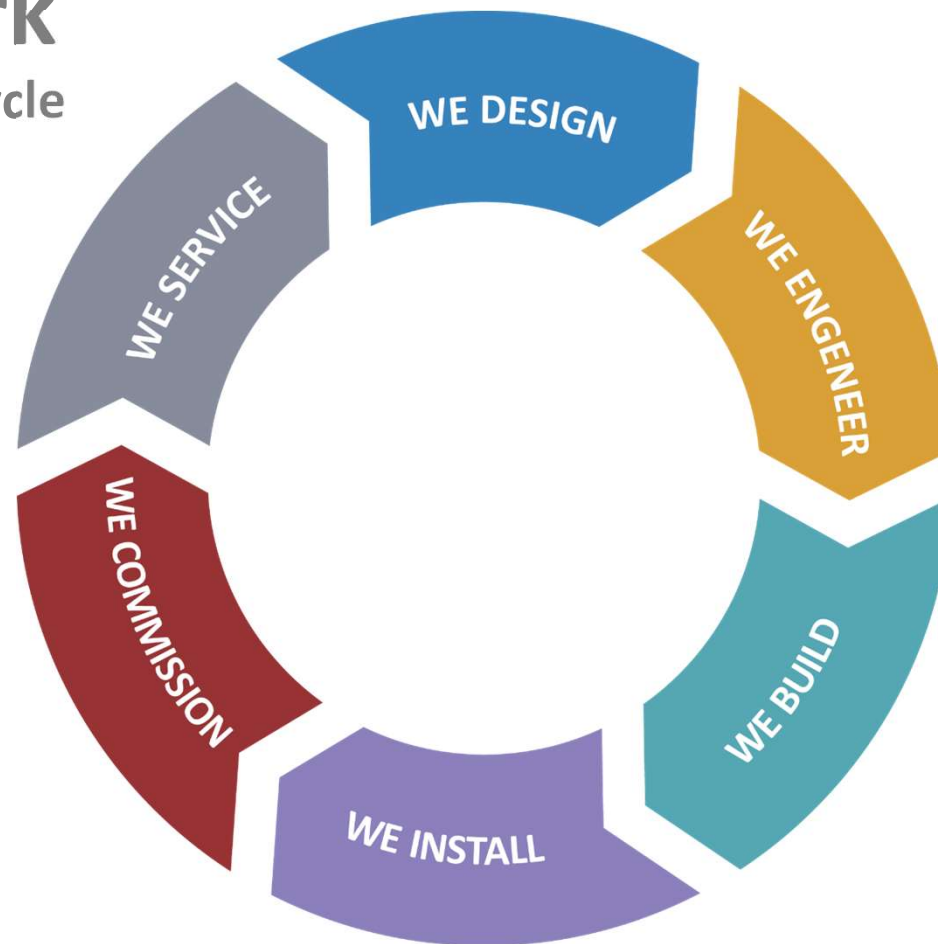

- Newbuild
- Refits & Modifications
- Service & Maintenance
- Spare Parts Delivery
- Training

How we work

During the entire lifecycle

How we work

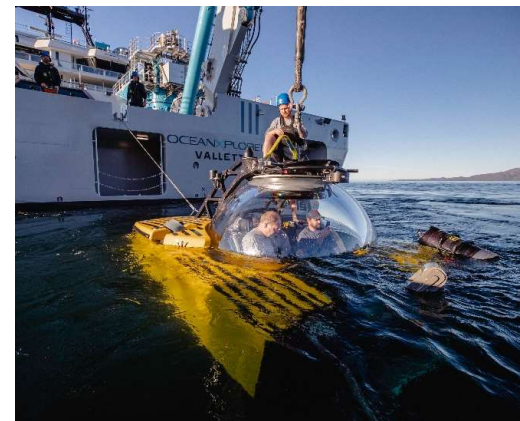

Through the value chain

We work

- Safe
- Sustainable
- Quality focused

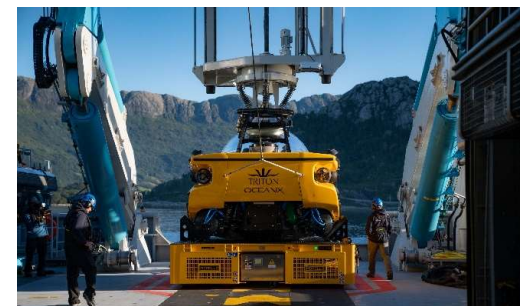

vca^v

Why we are unique

Global System Integrator with executing capacity

- Our specific industrial & maritime system knowledge
- Delivering high quality with attention to detail
- Our engineering capacity
- Our installing capacity
- Project management capabilities
- Global availability
- One stop shop
- Inhouse switchboard production (Vietnam; Romania; Netherlands)
- Refits & conversions knowledge
- 24/7 service & maintenance

Our customers

Whom we connect

Dredging, Offshore & Transport

- Nuyina
- Icebreaker (160m)
- Newbuild: System Integration; Complete Electrical Installation

- Jumbo Javelin
- Heavy Load Carrier (144m)
- Refit: Distribution panels; modifications to AMCS and PMS

- Anchorage
- Trailing Suction Hopper Dredger (3000m³)
- Newbuild: Electrical Installation and Automation Systems

Yachting

- Amels 60
- Super Yacht (120m)
- Newbuild: Complete electrical, Nav-Com and AV-IT systems installation

- Black Pearl
- Sailing Yacht (106m)
- Newbuild: System Integration; Complete Electrical Installation

- SeaXplorer La Datcha
- Expedition Yacht (77m)
- Newbuild: AVIT system; CCTV system

Naval & Governmental

- Zr. Ms. Den Helder
- Combat Support Ship (179,5 meter)
- Newbuild: installation activities, including of the military equipment

- Reformador
- Long Range Ocean Patrol Vessel (107,5m)
- Newbuild: System Integration; Installing; Supervising; Commissioning on site

- Zr. Ms. Pelikaan
- Naval Auxiliary Vessel (65m)
- Refit: Mid-life upgrade and maintenance

Industry

- Food
- T. Boer & Zn
- New main distributor for extra cold storage

- Water
- Vitens
- Nine wells on production sites

- Process and manufacturing
- Ardagh Metal
- Cabling for new production line

Why choose Alewijnse?

Customer quotes

- “The quality is outstanding”
- “Alewijnse works with you as a co-maker and partner.”
- “The company has got in depth knowledge on multiple systems in many branches.”
- “We are confident in their ability to meet challenges on complex, specialist vessels.”
- “The company’s design and installation engineers form a valuable part of our yard team.”
